Office of the Attorney General  
Washington, D. C.

November 7, 1962

Professor James W. Silver  
Department of History  
College of Liberal Arts  
The University of Mississippi  
University, Mississippi

Dear Professor Silver:

Arthur Schlesinger kindly sent me your letter of October 10.

Of course, Paul Scott's quote, attributed to President Kennedy, was inaccurate. The actions by you and other members of the faculty, stating the truth about the conduct of the marshals on September 30, was greatly appreciated and was most important in setting the record straight.

Sincerely,

Attorney General
